

DIRECTIONS TO FIND POSTS FOR SPECIFIC CITIES/TOWNS

Follow these steps to find a post for a specific City, State:

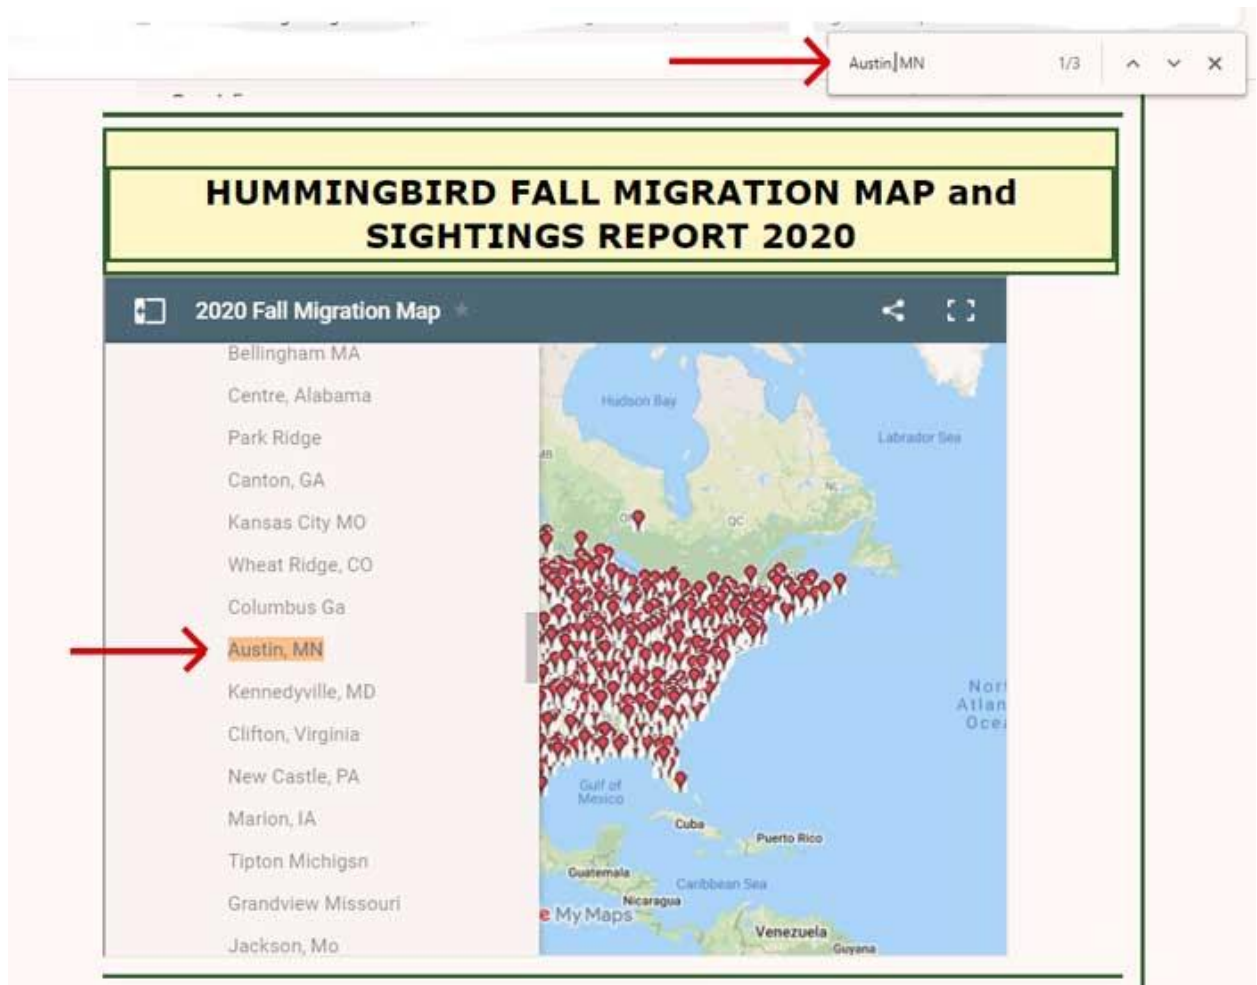

1. Click the icon for a list of posts/sightings on the map.

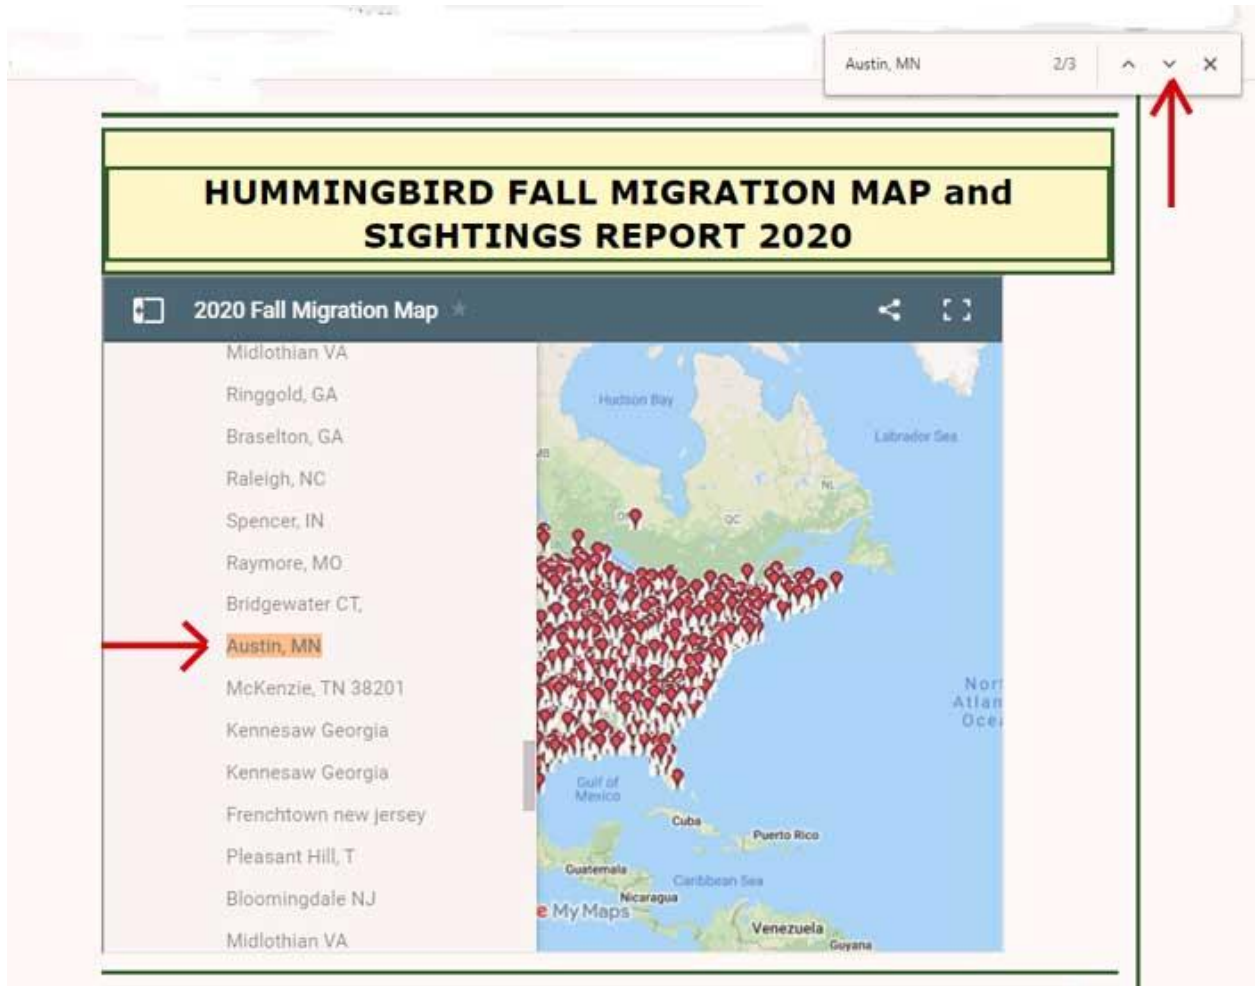

2. Click the drop down menu icon.

3. To find a posted sighting for a specific “City, State” use the Ctrl + F keys on your keyboard and type in a specific “City, State”.
For example type Austin, MN and the post(s) for Austin, MN will be highlighted.

4. Click the down arrow in the Ctrl + F box (search box) to see the next post from Austin, MN.

NOTE: There will be only 1 (one) marker per “City, State” on the map even though there may be multiple posts for the same “City, State”.
